Re: *In Re Tan Chun La*,
Case 2:21-mc-00139

Dear Judge Vazquez:

This office represents the Government in this matter. On December 7, 2021, the parties appeared telephonically before the Court for a status conference. At that time, the Government noted that it would review Petitioner's request for amendment of the naturalization certificate and update the Court by December 21, 2021 as to whether it opposes or takes no position as to this request. The Government has completed its review and respectfully submits this letter to state that it takes no position as to Petitioner's request. Thank you for the Court's consideration of this matter.

Respectfully submitted,

PHILIP R. SELLINGER
United States Attorney
